

COMPANY PROFILE

WHO WE ARE

Afriglobal Group is a conglomerate with business interests in the chemicals distribution, Logistics and healthcare industries. With an impressive turnover of over USD200m per annum, it is one of the fastest growing business concerns in Nigeria.

BRIEF HISTORY

The flagship company – Nagode Industries, which started as the brainchild of a visionary man Mr B. B. Garg, has since grown into a diversified entity with about five dynamic and fast growing competent organizations. Each organization has developed into the market leader or one of the leading players in its own field.

Incorporated in 1988, Afriglobal group has over time, expanded operations from Lagos to branches throughout Nigeria in Abuja, Kano, Aba and Onitsha, to effectively service its customers. Currently, beyond Nigeria, we have operations in Cameroun, Ghana, Djibouti, Ethiopia, Tanzania, Egypt. We also have offices India, China and South Korea. However its international outlook notwithstanding, the Afriglobal Group of companies has remained true to its African Origin.

VISION

An inspirational role model African institution that is at the forefront of emerging opportunities in healthcare, logistics and chemicals value chain
